Urgent Warning To Public Regarding Counterfeit Bills

An urgent warning to the public has been released by the Ontario Provincial Police Anti-Rackets Branch in regard to counterfeit fifty dollar (\$50.00) bank notes. A flood of counterfeit fifty dollar bank notes has hit the Province of Ontario in the last two weeks. The notes are of excellent quality and very difficult to detect. As a result, all fifty dollar bills are suspect.

Ten persons have been arrested and charged since the weekend of September 15 at Trenton, Collingwood and Peterborough. Notes have also turned up in London and Hamilton.

Normally, counterfeit notes are imprinted with the same serial numbers, however, in this case there is a sequential variance of

numbers which adds to the difficulty.

Anyone accepting a fifty dollar bill during the next several weeks should be sure of the person's identity.

The simplest method for detection is to hold the bill against a strong light which will reveal an otherwise invisible number of planchets which are implanted in legal bank note paper. By using this method the absence of an increased number of planchets is generally an indication that the bill is counterfeit. If this should occur, contact your local police office immediately. If the suspect cannot be safely detained, obtain a full description and if possible the direction by which he leaves and the licence number of any vehicle he may enter.

Hydro Investigation Role Reported To Be Time Consuming For M.P.P.

The report of the Legislative inquiry into the letting of a contract by Ontario Hydro for its new headquarters should be ready by the first or second week of October and be unanimous, according to R. Glen Hodgson, M.P.P. for the Riding of Victoria-Haliburton.

The committee has been working on the report in Niagara Falls since the hearings ended last Monday. Mr. Hodgson is a committee member.

"I think it may surprise some people, but I think we will get an unanimous report on the hearings," he said. "I think we will get it down to something we can all agree upon."

The inquiry was set up of seven Progressive Conservative members and two Liberals and two New Democratic Party representatives, he said.

Being on the committee has taken a lot of time and energy. There were 50 days of hearings and about 240 pieces of evidence submitted, he said.

"It came to the point where committee members just had to get away and do things for their own riding," he said. "It has kept me so busy I missed the Lindsay and Minden Fairs. I just never miss them normally."

The M.P.P. said the committee started hearings on May 9 and was sitting two or three days a week and had hoped to get finished by the end of June. But during the last few weeks the committee has been meeting four days a week, he said.

The inquiry was set up to look into alleged irregularities in the letting of the contract for the new Ontario Hydro headquarters in Toronto.

Industry-Tourism Development And Financing Seminar To Be Held Here

The Haliburton Highlands Chamber of Commerce through its Industrial Committee consisting of Lou Hodgson, Gerald Barry, Robert Vick and County representative Gary Agnew have

arranged an Industry-Tourism Development and Financing Seminar to be held on Thursday, October 18, 1973, at Wig-A-Mog Inn, Haliburton.

They have been most successful in having representation from the Ontario Development Corporation, A.R.D.A., Industrial Development Bank, Department of Regional Economic Expansion, Central Mortgage & Housing Corporation, Department of the Environment Forest Products Laboratory and others. A short resume of the functions of these organizations will be heard and how they could relate to the various businesses in our County.

In the afternoon these men will be available to answer your questions on a one-to-one basis. We are certain that those in business, or those contemplating a business, or starting a new business in this region will benefit by their attendance. A luncheon will be served and the guest speaker will be Mr. R. Glen Hodgson, M.P.P. for Victoria-Haliburton.

Haliburton News Letter

We have had calls from people wondering when the leaves will be at their best. This is hard to answer but it looks like they will be good this weekend but at their peak sometime next week.

We understand that approximately 700 people will be on the Colour Train which is due to arrive here in Haliburton on Saturday, October 13.

Echo Ceases To Print - Shortage Of Newsprint

Due to the shortage of newsprint which has hit all parts of Canada, we will be forced to cease publication of the Haliburton County Echo for the next two weeks. During this time we will be taking our annual vacation and the Echo office will be closed from October 3 to October 15.

After this period of two weeks it is hoped that we will receive a shipment of newsprint in order that we can be back with an issue on Thursday, October 18.

Our apology goes to those advertisers whose ads were omitted from this issue of the paper due to the lack of newsprint.

Search Continues For Plane Believed Down Near Minden

The search is still in progress for a plane carrying two people which is believed to have gone down in the Minden area. A spokesman at the Trenton Air Base said that seven planes are involved in the search. Two of the planes are from the base, four are from Toronto, and one is from the Ministry of Natural Resources.

Last week planes with pilots Ron Tyler, Derek Rolfe and Tom Nunn from Haliburton participated in the search for the downed aircraft.

The Trenton spokesman said that the search would continue until they have exhausted all possibility of finding the plane. "This decision is made by the search master after he has put together all the factors involved," he said.

The pilot of the plane is believed to be from the St. Catharines area.

L.C.V.I. Defeat Haliburton In Football Opener

In their season opener last Friday, the Lindsay Collegiate Vocational Institute Spartans brought Haliburton Highlands Secondary School down to defeat by winning the Kawartha West senior football game 32-12 here in Haliburton.

For the winners touchdowns were credited to Dave Mackey, Steve Turner and Jim Cosgrove with a pair. Cosgrove also kicked three converts and a single.

It was the first game for both teams and Lindsay were a bit stronger than the host team. It was a good, clean game with a lot of jittery players. As it was the first game of the season, with neither team having played exhibition games, for some of the second stringers it was the first game they had ever played.

Both of the squads have away games this Thursday, Haliburton travelling to Fenelon Falls and L.C.V.I. visiting I. E. Weldon.

Skating Club Sets General Meeting

The Minden Figure Skating Club will hold their General Meeting and Registration on Tuesday, October 9, 1973, in the Municipal Building at 8:00 p.m.

It is hoped to see many parents at this meeting, parents of the regular skaters and new skaters. Several new families have moved into the area and they must be made welcome, even if it is just to ask questions.

Remember, this is your skating club, so come out and support it.

Festacolour To Be Held This Saturday

Final preparations are now being made by the Rotary Club of Haliburton for their big Festacolour day which will take place here in Haliburton this coming Saturday, September 29. The members of the Rotary Club have been very busy this past week decorating the inside of the Haliburton Arena and setting up the material in the Fairgrounds.

The afternoon activities at the Fairgrounds will begin at 12:00 noon with an afternoon Beer Garden complete with entertainment. And for you hungry people there will be a Bar-B-Que featuring corn beef and pizza. There will be plenty of midway games and the ever popular Splash Throw will be featured throughout the afternoon. One of the main attractions will be a Tug-Of-War for the Haliburton County Championship and we understand that entries are coming from all sections of the County, and we are also pleased to welcome a team coming in for the weekend from Scarborough. This should be

a lot of fun, and for your added enjoyment there will be a 1974 car and snowmobile display plus an antique car display.

In person at the Arena in Haliburton during the evening will be the ever popular Alfie Fromager and the Country Kings, stars of the television show "Make Mine Country" which is seen over CKVR-TV Channel 3, Barrie. This will be a full one-hour show starting at 9:00 p.m. with dancing until 1:00 a.m. The door opens to the Beer Garden in the Arena at 8:00 p.m. The admission price to the western music show will be \$1.00.

So there you have it, Festacolour 74, this coming Saturday, September 29. Plan now to be in Haliburton for this popular annual event.

If you are coming in from out of town, why not bring your family for the entire weekend in order for them to view the colour of the leaves as they should be at their splendid best this weekend.

Letter To The Editor

September 24, 1973.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.

On the front page of the September 20th issue of the Echo there appeared a report covering a study done by the Canada Ontario Rideau Trent Severn Waterways. The study covered some 41 reservoir lakes in the Haliburton sector. The summary of the study as headlined, and I quote, "WATER LEVELS OF NO EFFECT ON THE COTTAGERS" despite the study reporting water fluctuation of from two to 13 feet with an average of six feet in water levels.

The asininity of the conclusion arrived at by this study is beyond human comprehension. I am sure that whoever made such a report never had to live with even the reported average of six foot variance. These lakes are now rather well populated by not only cottagers but a goodly number of permanent residents and should no longer be classed as only reservoir lakes to provide navigable waterways for the pleasure of those moneyed persons who can afford their expensive yachts. Rob Peter and let Paul play.

This study was no doubt carried out during the months of July and August by student summer employees whose knowledge of year round existing conditions would probably be very limited. Why not a study in early spring when we are being flooded out and again in late fall when the low levels occur. During July and August water levels are at their best and no one has much to complain about.

The survey indicates that cottagers adapt to this water fluctu-

ation easily by using floating rafts and docks. Sure, during July and August the minimum situation exists. Docks are not the only thing — there are also those permanent residents who draw their water for household use from the lakes. In the fall water intakes are exposed or there is so little water over the intake that freeze-ups occur during the winter. Sure, put in a well, it does not cost anything other than to those permanent residents on the lakes — again rob Peter to let Paul play.

We are all concerned with our environment and pollution situation and in my humble opinion the heavy water fluctuation in our lakes, even the so-called average six feet variance, is unreasonable. If there is nothing in the Ontario Statutes to limit the extent by which the so-called controlled waterways may vary the water level from spring to fall, then I submit it is time there was such a law enacted to limit such water fluctuation. The so-called Canal authorities will no doubt say that poor Mother Nature who gets blamed for everything would make a limitation impossible to comply with, despite the fact that on numerous occasions it has been stated that the water level can be controlled to the minutest degree, even a few inches.

As a parting shot we (the Government) stock our lakes with fish and then vary our water levels to such an extent that we bare or flood the spawning beds out of existence.

"Hello, Paul, stop robbing Peter."

O.D.C. Loans For Four Tourist Establishments

TORONTO — Industry and Tourism Minister Claude F. Bennett has announced Ontario Development Corporation loans to improve facilities at four tourist establishments. Each of the loans is repayable with 6 per cent interest.

Port Cunningham Marina near Dwight will receive a \$25,000 loan to make lakefront improvements, add new storage and repair facilities and purchase servicing equipment.

T-Bell Resort at White Lake

will use a \$12,500 tourist industry loan for equipment and furnishings in its dining room.

A \$5,000 loan to Wilbermere Lake Resort in Wilberforce will provide funds to help service existing trailer sites.

Lakeshore Camp, a 160-acre campground south of Goderich on Lake Huron, will use a \$35,000 O.D.C. loan to erect a building containing recreation and service facilities and to provide hydro and water services for 85 of the camping sites.

Gooderham News

Social activities for the fall got off to a rousing start on the 17th of September. On that date the occasion was of triple significance. It began with the United Church Women planning a 60th Wedding Anniversary celebration for Mr. and Mrs. Ed Burritt.

The basement of the United Church was decorated with pink and white streamers and bells above the pretty reception table. Mrs. Clifford Mintz and Mrs. Dailyn Pickens poured tea, and ice cream and cake were served following the formal ceremonies.

Mr. Gordon Barr acted as the master of ceremonies. He told the 36 guests assembled about the history of the Burritt family and some of the events during the 60 years of the happy couple's marriage. At the time of their wedding they were both living near Dannville and we hear that on their wedding night they went home to milk the cows before retiring. Mrs. Burritt's maiden name was Nettie May Krick. The couple went to the United States in 1922 where Mr. Burritt served for many years as an engineer on the Erie Lackawanna Railway Line. Their permanent home is in Buffalo, New York. The Burritts have been retired for several years and in 1948 they built a summer home in Gooderham where they usually reside from April to November. They have one daughter, Mrs. Oscar Brielienger of Buffalo, three grandchildren and two great grandchildren.

Bob Fotheringham congratulated the happy couple on behalf of the Township; Tom McColl, Vaneita Pickens and W. Rogers all brought a word of greeting to them; and Jean Goff conveyed good wishes from a cousin Bob Krick and his wife of Minden, Ontario. Mrs. Burritt was presented with a corsage of live roses and Mr. Burritt received a carnation boutonniere.

Many photographs were taken while the cake was being cut and after the formal part of the reception the top tier of the cake, including the miniature bride and groom, was presented to them. The delicious cake had been made by Beulah Barr and very professionally decorated by Mrs. Priscilla Mintz and Miss Vaneita Pickens.

Telegrams of congratulation were received from Robert St. field, P.C. Leader in Ottawa; and from Bill Scott, our local Federal Member. A certificate was also received from Prime Minister Trudeau, suitable for framing.

This was also a significant day for Tom and Vivian Dovel, being their 49th Wedding Anniversary.

versary, and for Grace Billings whose birthday was to be the following day, so they were also presented with cake and flower tokens. One of the tables contained a large vase full of fresh flowers from Vivian Dovel's garden, including huge dahlias.

Saturday night last (September 22) the church was again a busy place. Between 70 and 80 friends arrived to attend the wedding of Crystal Irene, daughter of Mr. and Mrs. Kenneth Giff of Gooderham, to Mr. Lee Kay Stamp, son of Mrs. Jean Stamp of West Guilford. The weather had been unco-operative all day but it brightened up in time for the evening ceremony and there was a good chance to visit with one another before the doors were unlocked.

The bride's dress was the traditional white with a beautiful train. She was preceded down the aisle by a flower girl, the matron of honour, and two bridesmaids in pastel colours. There should be an excellent record in pictures judging by the number of amateur photographers who appeared with flash cameras. Since there is no vestry in the church the signing of the register took place at one end of the platform, giving an opportunity for the camera fans to photograph an activity which is usually only available to the professional photographers, if at all. The setting was perfect against a background of white chrysanthemums and the beautiful stained glass window. Mrs. Jean Goff provided the piano music which was much appreciated.

Reverend J. Bushel of the Minden-Carnarvon Charge officiated in place of the resident minister, Mrs. Heather Hines, as she will not be ordained until December when she will then be able to accept the marriage vows legally.

Five-year-old Steven Hunter is home from hospital after treatment for injuries received while playing with an old tire.

Mr. and Mrs. Tom Nesbitt were recent visitors at the home of Mr. and Mrs. Tom Dovel.

Mrs. Grace Billings recently entertained Mr. and Mrs. Wes Lambertson and Mr. and Mrs. Daryl Lambertson, all of Oxford, Michigan; Mr. and Mrs. Roy Dear of Niagara Falls; Mr. and Mrs. Jorne Bally and Mr. and Mrs. David Conrad of Fenelon Falls.

Mr. and Mrs. Kirby are here from London, England, visiting with Mrs. Kirby's sister at Contauake — the occasion being their 5th Wedding Anniversary.

Noble Family Reunion Held At Bobcaygeon

The Noble Family Reunion was held in the Bobcaygeon Park on Saturday, September 15, with 51 descendants being present. The organizers of this year's reunion were Mr. and Mrs. Glenn Noble of Toronto and Mr. and Mrs. Kenneth Noble of Tory Hill.

A bountiful pot-luck dinner was served at 1:00 o'clock, after which races and games were enjoyed by the children and grown-ups alike.

Special prizes were awarded as follows: the mother with the largest number of her family in attendance - Mrs. Hartman Noble of Bobcaygeon; the one who travelled the farthest to attend - Mr. and Mrs. Melvin Noble and Miss Donna Noble of Toronto; youngest members attending - girl, Tracy, daughter of Mr. and Mrs. Earl Noble of Toronto and boy, Paul, son of Mr. and Mrs. Melvin Noble of Toronto; the member who celebrated a birthday closest to the reunion date - Mr. Mervin Pass of Peterborough.

At 4:00 o'clock lunch was then served and each member was treated to a chocolate bar.

Next year's organizers were then chosen, being Mr. and Mrs. Lisle Noble of Cresswell and Mr. and Mrs. Mervin Pass of Peterborough.

It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High. Psa. 92:1

**Federation Pleased
With Decision On
Algonquin Park**

The Ontario Federation of Anglers and Hunters is very pleased with the decision taken by the Ontario Government, as expressed by the Honourable Leo Bernier in his statement of July 17th, with respect to the future management of Algonquin Park. The new management plan is very close to that suggested in the brief that the Federation presented to the Government in February, of 1966. This brief suggested that the multiple use concept be applied and that removal of the timber resources be continued under very strict control. This can be achieved under the Algonquin Forest Authority. While we wish to see natural areas, where no cutting will be allowed sprinkled throughout the park, we feel that a managed forested area can best serve the forest recreational needs of the majority of the users.

The proposed elimination of outboard motors requires a second look. Would it not be better to limit outboard motor horsepower to 6 or 10 all over the park and allow those not hardy enough to paddle a canoe to enjoy the natural beauty and good fishing of "this average man's wilderness"? Or alternatively, allow their use within a specified distance of the main access points.

We certainly laud the decision to continue the hunting in Bruton and Clyde Townships. A well-managed forest will produce an abundant crop of deer and the townships along the eastern border of the park could well stand some deer hunting.

Greater dispersion of the people using the park at any one time was a strong point in our brief and this can be attained with more perimeter access points and camping areas and improved and extended canoe routes.

The initial work done by Jack O'Dette in investigating the Algonquin Park situation and preparing our brief and the more recent work of Doug Corbridge who was our member on the Algonquin Advisory Committee was well worth the effort. We only hope that legislation is quickly enacted to get the new management plan translated into action.

FAREWELL ENGLAND AND 4 ICE CUBES

One last column about impressions of England, and if you're already sick of them, turn to the classified ads.

Cost. A holiday in England used to be relatively inexpensive, what with lower wages and food costs. Not no more. Costs have soared all over Europe and Britain is no exception.

You can still have a cheap holiday there, if you want to squeeze every penny, just as you can in Canada. But that's no fun, on holidays.

In the lovely old town of Chester, we paid about \$15 for a room without bath. But breakfast was included. Good seats in London theatres cost from \$8 to \$10. Meals in a posh restaurant are about the same prices as in Canada — preposterous. Best place to eat is in the pubs, where, at reasonable cost, you can get a hunk of french bread and good cheese, or a plate of bangers (sausage), a slice of veal and ham pie, or a hot steak and kidney pie.

Ice. If you are accustomed to ice in your drinks in hot weather, either forget it, or be prepared to fight for it.

Order a dry martini and sit back waiting for something ice-cold and uplifting. What you'll get is a glass of lukewarm vermouth, a concoction designed to send you screaming into the arms of the local W.C.T.U.

We arrived in Edinburgh, hot, tired and dusty after a seven-hour train ride. Struggled with luggage, cab and got to our hotel room, after riding up in the littlest elevator in the world (no more than four persons or 600 pounds). I was intrigued by the thought of what would happen if four 200-pounders got on.

Anyway, when the porter arrived with our bags, we were stretched out, dying for a cold drink. I asked him to bring some ice. "Ice? Oh, yes, ice. Yessir." Ten minutes later he returned, toting a huge silver tray, bedecked with a sparkling white napkin. The piece de resistance rested in the centre of the tray — a wine goblet with four tiny ice cubes in it. We roared. He was bewildered. We'd ordered ice, hadn't we? He'd brought ice.

Courtesy. Canadians and Americans are friendly souls, on the whole, but our manners are not always exactly polished. We were struck by the courtesy and friendliness of the Brits.

At bus stops, for example, there is no elbow-punching of old

ladies, no sly kicks on the ankles, no every-man-for-himself attitude. There is a politeness, which, though pained at times, is very evident.

There's an old tradition, fostered by movies and novels, that the English are extremely reticent, to the point of stuffiness, on trains. They're supposed to retire behind their papers, indicating each others' presence by no more than the occasional grunt or dirty look.

Why, it's just the opposite. They'll go on and on and on, explaining things, being kind and helpful until, sometimes when you're exhausted and don't feel like gabbing, you wish the old, grumpy stereotype were true.

Only once did I have a slight unpleasantness, and it was my fault. We were catching a train, and were late. Sweating under the luggage, and with our carriage what looked like a quarter of a mile away, I looked wildly around for a porter.

The only one I could see was helping an elderly, crippled lady out of a wheelchair, to get on the train. I dropped my bags, gave the porter a hand at helping her up, then slung my luggage into the wheelchair and went beetling down the platform, pushing it.

We arrived, and I started to unload my luggage from the wheelchair, to put it on the train. A rather stern railway official looked at my wife, who'd been galloping along behind me, looked back down the platform and spoke, "No, no. That'll have to go in the baggage van."

I didn't know why, as it hadn't happened before, but with two minutes to go I didn't care. We put the bags in the van, and he started to fold the wheelchair and put it in. I said, "Oh, no. That belongs here." He turned purple.

He had been looking over my shoulder for the invalid, probably expecting an old soul on a stretcher. It was the wheelchair that had to go into the baggage van, not the bags.

He had been completely baffled by this example of Canadian enterprise, was embarrassed by his error, and therefore grew a bit black in the countenance. I apologized, with a very sincere look, and offered to run the chair back down the platform, but he grunted something about the train leaving and another phrase or two I didn't quite catch, but which definitely contained the word "bloody".

Bowling

The Haliburton County Commercial Men's Bowling League opened on Wednesday evening at Medley's Bowl in Carnarvon. The Haliburton Highballers carried on where they left off last year with an easy 7-0 whitewash of Miles Roadrunners, Ingoldsby trimmed the Rockcliffe Beer Nuts 5-2 and Modern Electric downed Cox's Colts 5-2.

Doug Robinson of the Modern Electric rolled the high single of the new season with 296, and Ron Robinson Sr. of Cox's Colts captured the high triple honours with 768.

The league also passed unanimously to play the two during weeks of the hunting season this year.

Sports Briefs

The Haliburton County Senior All Stars softball team were to play in Bracebridge this past Sunday in their Annual Softball Tournament but due to driving rains the tournament was postponed to Sunday, September 30.

Toronto Argonauts dropped their second straight game on Sunday by 19-10 to the Montreal Alouettes. The loss tightened the Eastern League standings with Toronto holding a one point lead on Ottawa and only two points on Montreal. Hamilton has one game in hand on all three teams following their loss to Edmonton on Monday evening.

Has the bubble burst for the Montreal Expos? It sure looks like it. The Expos dropped their seventh straight game when they lost a double-header on Sunday to Pittsburgh, leaving them 3 1/2 games back of the New York Mets and with only seven games remaining.

Congratulations go out to Peter Reven for his great victory at Mosport on Sunday. Peter beat out some fine drivers in Jackie Stewart and Fildapaldi.

Golf

This Sunday, September 30, the Beaverbrook Golf Club in Minden will once again hold the Beaverbrook Open Golf Tournament. The Open had been set aside three years ago and was replaced by the Minden Progress Open, which never really caught on in this area.

The Beaverbrook Open will be an 18 hole tournament with tee-off times from 8:00 a.m. to 3:00 p.m. The green fees and entry fee will be \$5.00, with six prizes up for grabs.

Let's have a big turnout, fellows, as this used to be a very good tournament a few years ago. If this year's tournament is a success, then the Open next year will be played the Sunday following Labour Day and annually thereafter. Green tickets limited to the first 100 golfers.

Sir Sandford Fleming College Continuing Education Division

EVENING COURSES - HALIBURTON AND MINDEN

INTERNATIONAL COOKING

The course will present dishes from other lands and aims to foster international cookery as a hobby. The student will prepare unusual, inexpensive meals, using ingredients which are readily available in Ontario. Besides main dishes using meat, fish, cheese & eggs, soups, salads, vegetables, breads, cakes, desserts, preserves and beverages will be included, together with menu and serving suggestions. Demonstrations and practical classes will alternate, and each fortnight different regions will be featured, progressing eastwards around the world.

Course Co-ordinator: Mrs. Charlotte M. Oldham is a graduate of the Chesire College of Agriculture and Manchester University College of Household. Mrs. Oldham has taught cookery at the secondary and post-secondary levels, travelled widely and compiled an international recipe book.

Location: Haliburton Highlands Secondary School

Time: Tuesday evenings for 10 weeks, beginning October 9, 1973

Fee: \$15.00.

CERAMICS

Included are hand building techniques, use of the wheel, and glazing and firing methods. Students will be able to purchase clay at the classes.

Instructor: Mr. Gerhart Balzereit is a graduate of Georgian College, and teaches pottery at Lindsay for the continuing education division of Sir Sandford Fleming College.

Location: Pottery Studio at Lakeview Centre

Time: Mondays, from 2:00 p.m. to 4:00 p.m., evening session to be announced, for 10 weeks, beginning October 1 (there will be no classes on Thanksgiving Monday).

Fee: \$15.00 plus materials.

CHILDREN'S POTTERY

This is a special pottery course designed for children ages 6 - 14. It will be limited to 20 students.

Instructor: Mrs. Carole Finn, of Haliburton.

Location: Pottery Studio at Lakeview Centre

Time: Saturday mornings, 10:00 a.m. to 12:00 noon for seven weeks, beginning October 13.

Fee: \$10.00 per child including materials. (Space limitations necessitate restricting the number of pieces fired by each child.)

VIDEO GOLF

This program is designed for people who intend to take up golf as a beginner, as well as experienced golfers who wish a pre-season warm-up with an opportunity to improve their golf swing under the instruction of a professional.

This type of program has been very successful because of the ability of the Video Playback to replay your swing in slow motion and to stop the picture so that the professional can point out the good and bad points.

It will be limited to 20 students.

Instructor: Bill Heustis is the professional at the Lindsay Golf and Country Club

Location: Haliburton Highlands Secondary School

Time: The course starts Tuesday, October 30, but will be held on Wednesdays after the first week, 7:30 to 9:30 p.m. There are six sessions in total.

Fee: \$12.00.

PEN, PENCIL AND INK DRAWING

This is an opportunity to begin enjoying aspects of drawing in pen, pencil and ink. Topics include basic perspective and composition.

Instructor: Philip Barker, of Kinmount, is a free-lance artist.

Location: Lakeview Centre

Time: Starts Wednesday evening, October 10, for 10 weeks.

Fee: \$15.00.

SMALL ENGINE REPAIR

This course is designed for owners of outboard motors, snowmobiles and other small powered equipment, and covers the following:

- two stroke cycle engine operation
- four stroke cycle engine operation
- Rotary engine operation
- carburetor function
- fuel flow to carburetor
- float type carburetor
- fuel systems — tanks, filters and pumps

Instructor: Steve Trip is an instructor with the marine mechanics and small powered equipment program offered by the retraining division of Sir Sandford Fleming College in Peterborough.

Location: Minden. Exact location will be announced.

Time: Begins in early January. Evenings to be announced.

PLANNING FOR PROFITS

The course deals with basic principles of financial management. It emphasizes the information that may be drawn from financial statements, special reports and analyses, and examines how this information can be utilized by an astute businessman. Topics include: management information in the profit and loss statement; management information in the balance sheet; Working capital and cash; Where did it go?; the profit plan; decision-making; break-even point analysis.

A knowledge of accounting or bookkeeping is not a pre-requisite for this course.

Instructor: To be announced.

INVESTIGATE THE CHURCH OF CHRIST

1. You can read about it in the
New Testament (Romans 16:16).
Can you read about yours?

2. It has NO CREED but the
Bible, and it binds no name on
its members but Christ (I Peter
4:16; Acts 11:26). When someone
asks you what you are religiously,
is the answer you give them
found in the Bible?

3. It speaks where the Bible
speaks, and remains silent where
the Bible is silent (I Peter 4:11).

4. It exalts Christ as its only
head (Colossians 1:18). Who is
the head of the church that you
are a member of?

5. Its acts of worship are
patterned strictly after the New
Testament example (John 4:24;
Acts 20:7; Ephesians 5:19).

6. It teaches that scriptural
unity can be achieved on all
disputed doctrinal questions (I
Corinthians 1:10; John 17:21).
There can never be unity until
we unite upon the word of God,
and not the creeds of men.

7. Its aim is to save souls by
leading them to Christ by the
gospel (Mark 16:15-16; Matthew
28:19). You won't find us going
door to door trying to sell some-
thing, or begging money.

These are but a few of the
reasons why you should investi-
gate the Church of Christ.

James Hughett - Minister,
P.O. Box 458, Haliburton, Ont.

IS TIME RUNNING OUT FOR MANKIND?

Do the big problems facing the
human race have a deeper mean-
ing than most people realize?
Does the Bible really foretell vast
changes that will affect all man-
kind in the near future? These
problems threaten all mankind:
MASSIVE FAMINE HITTING
MILLIONS. Earth's "population
explosion" means that every day
there are 200,000 more mouths to
feed - 75 million more each
year. "It is already too late to
avoid famines that will kill
millions, possibly by 1975 . . .

Already half a billion people are
slowly starving, another million
are malnourished." - Biologist
P. Elrich. CRIME SPREADS,
BECOMES MORE VIOLENT.
U.N. Secretary-General Waldheim
says of the world crime situation:
"Despite material progress, the
human life has never had a
greater sense of insecurity . . .

There is widespread and mount-
ing evidence of a crime crisis." **SICKNESS AND POLLUTION-
GROWING THREATS TO YOUR
LIFE.** Air pollution nears the
crisis level in city after city.
Earth's waters are becoming
increasingly contaminated. Heart
disease causes more than half
the deaths each year in the U.S.
Cancer, mental illness, venereal
diseases all have reached epi-
demic proportions. Malaria, tra-
choma and snail fever now afflict
800 million persons. **CAN MEN
SOLVE SUCH URGENT PROBLEMS?**
No! Basic changes must
be made in people themselves.
Yet people are becoming more
inconsiderate, more dishonest
and more selfish. That is why it
is vital for you to see the far
deeper meaning in the big prob-
lems that face mankind. **WHY
WE KNOW THAT TIME IS
RUNNING OUT.** Do you realize
that these very conditions were
foretold centuries ago? Where?
In the Bible. Read in your own
Bible Matthew chapters 24 and
25, Luke 21 and Revelation 11:
15-18. The disciples of Jesus
asked him for a sign of the con-
clusion of the system of things
and we see these foretold events
take place. This means that 1914
was the start of what the Bible
calls the "last days" of this
system. When will this time
period end and the foretold
destruction come? At Matthew
24:34 Jesus said, "Truly, I say to
you, that this generation will by
no means pass away until all
these things occur." The gener-
ation seeing the start of the sign
in 1914 is now far along in years.
Time is running out. But you can
be happy that so little time is
left. Soon God's kingdom will
bring lasting peace (Matt. 6:9,10;
Isaiah 9:6,7), eternal life (Rom-
ans 6:23), no more crime and
hunger (Micah 4:4; Psalm 72:16)
- the earth will become a
delightful home (Psalm 37:11,29;
Matt. 5:5). But how can you be

A Special Meeting of the Snowdon Township Council was held on August 30, 1973, with the Reeve and three members of the Council being in attendance.

By-Law No. 8-73 was read a first, second and third time, passed, signed and the Corporate Seal affixed; this being a by-law to regulate and license trailers and mobile homes within the Township of Snowdon.

The Regular Meeting of the Snowdon Township Council was held on September 5, 1973, with the Reeve and two members of the Council being present.

Moved by R. Graham, seconded by G. Newell, that the minutes of the regular meeting of August 8 and the special meetings of August 8 and August 30 be adopted as read. Carried.

Moved by R. Graham, seconded by G. Newell, that the Clerk contact Glamorgan Township re a financial contribution by that township towards the initial cost and maintenance of the dump located on Lot 24, Concession 6, as the largest percentage of waste originates from Glamorgan Township. Carried.

Moved by R. Graham, seconded by G. Newell, that the Clerk contact Mr. Gordon Tomlinson and inform him that Council is satisfied with his proposal to exchange a 66 foot road allowance 33 feet from the centre line of the existing road across Part of Lot 24, Concession 5, and Lots 22 and 23, Concession 6, for the township property on the West Half of Lot 24, Concession 6, on the south side of the Gelert-Irondale Road, provided that the costs incurred be divided equally. Carried.

Moved by G. Newell, seconded by R. Graham, that the General Accounts in the amount of \$737.16 and Welfare in the amount of \$191.30 be approved for payment. Carried.

Moved by R. Graham, seconded by G. Newell, that Road Voucher No. 8 in the amount of \$1,289.96 be approved for payment. Carried.

Moved by G. Newell, seconded by R. Graham, that this meeting be adjourned until the next regular meeting on October 3, 1973, at 8:00 p.m., unless called sooner by the Reeve. Carried.

News From The
West Guilford
Recreation Centre

The West Guilford Recreation Community Centre has been busy recently getting ready for the fall activities. Tuesday, September 11, saw the Golden Age Club in the afternoon planning for a Pot-Luck Supper and a Christmas Bazaar, and in the evening TOPS started to tune up those lazy muscles. The regular meeting made plans for a fall raffle, dances and movies. Another meeting planned for Wednesday, September 26, was to be held to finalize these plans. On Thursday evening, September 13, ten tables of euchre were played with the following being winners: door prize - J. Fielding, pink card high - E. Brennan, pink card low - B. Cowen, white card high - C. Parish, white card low - J. Jacobs, kitty - R. Horsley, most lone hands - W. Deacon.

The next Euchre Party will be held this Thursday, September 27.

The Stanhope Airport Fly-In on Sunday last was quite a success. A number of planes flew although the weather in the evening was not too desirable.

The rain eased up and folks dined out for the delicious Beel dinner which was served and served under the vision of Kenneth Whitney.

Large Otter Armed Force. The plane out of Toronto the morning on the search for the downed plane in district, but landed at the port around 12:30 o'clock. At 2:00 p.m. it took off and some manoeuvres for the spectators, then landed and gave

the crowd an opportunity to view it inside and out. Several took the opportunity to view the Highlands from the air and this plane was kept very busy. The refreshment booths did a good job as it was a cool day. Each person returned home feeling satisfied that another success had been accomplished. The Stanhope fire truck was also on hand for all to view. There will be another Fly-In next year, so we will see you there.

Minden News

Don't miss Fashions for Fall at the Hyland Crest Senior Citizens' Home Auditorium next Wednesday night — both men and ladies fashions will be modelled.

Anne and John Rockory left on the weekend for a motor trip to the East Coast and a visit with their son, Bruce Rockory.

Congratulations to the newlyweds Mr. and Mrs. John McNeil (nee Carol McPhail), Mr. and Mrs. Bill McKay (nee Jan Moore) and Mr. and Mrs. E. G. Hancock (nee Christine Swanton), whose weddings were on Saturday.

Belated good wishes go to those residents of Hyland Crest Senior Citizens' Home who celebrated birthdays in September — Elma Welch, Sarah Swinson and Frank Billings. Good wishes also goes to Mrs. Cecil Irwin who had a birthday at her home.

Helen and Frank Buttior are home again after an enjoyable trip to the East Coast.

Mrs. Bertha Lewis of Toronto has been a visitor with her sister Mrs. J. Graham.

A new arrival in the village is a grandson for Alice Todd and Mabel and Eldon Deacon, the son of Barbara and Jim Todd.
